We Remember . . . the feeling of being so small and everyone else being so-o-o very tall!

We Remember . . . the feeling of being all alone . . . Senior Jackie Hutsell, alone and lost in memories that were formed over the past thirteen years at MHS.

"We Remember . . .

We Remember . . . the confusion of the lunch line and the searching halls for unknown rooms . . . the lost feeling, the fear of being late . . .

We Remember . . . making friends and the smiling faces of those that shared special moments.

We Remember . . . all these memories from over the years and as we share our last moments, we wonder how we can leave this special group to which we belong.

Fall Activities

Mrs. LaVonne Hutsell is school secretary. This is her second year here.

Administration

Dr. Melvin E. Zichek has been the superintendent at Marquette Consolidated Schools since 1963. Dr. Zichek is a person who is easy to talk to and is very interested in school activities. His responsibilities are many and he puts a lot of effort into them.

The annual staff wishes Dr. Zichek well in his future endeavors. The students and faculty as well as the community will miss his presence.

Personnel

With the exception of 75-76, Mr. Linley Berck has been at Marquette Schools since 1965. He has been a handy-man, helping anyone who needed help. After everyone else had gone home, he would clean the school. When Dr. Zichek was at meetings, Lin drove the kindergarteners home. If anybody needed something fixed Lin was there to help. His presence will be missed by both faculty and students.

"We Remember . . . Starting School- Everything Was New"

Six kindergarteners learned many new things their first year at school. They enjoyed studying the ABC's, working in letter books and painting pictures. Another fun project was making puppets.

Two field trips were conducted in connection with their letterbooks. After learning the letter "N" they visited the Aurora News Register to learn about newspapers. A trip to the Pizza Hut helped them to learn about the letter "P". Each student helped make a pizza and when it was finished baking they enjoyed eating it.

Kindergarten graduation for the six students was held on the afternoon of May 14, 1979. The class presented a program and each student was given a diploma promoting them into the first grade.

First and second graders learned a great deal about plants and soil. Mr. David Vetter gave a talk about different soils. One experiment was raising plants under different growing conditions. The classes visited the Aurora Greenhouse where each student received a plant.

Pen pals in Plant City, Florida exchanged letters, cards and Christmas greetings.

They participated in a National Weekly Reader balloon contest. Fifty balloons were filled with air and contained Marquette addresses. The balloons were released; the object was to see which balloon would go the greatest distance.

Seventh graders concentrated mostly on money making projects and decided to save their money for future years. They had concessions at two jr. high games. Besides bringing baked goods from home, they made brownies, popcorn and carameled apples in home ec. They also sold Current stationery and greeting cards.

Todd Danhauer's father sponsored a class sledding party in their pasture in February. The seventh grade class also held a party at the Community Center in York.

"We Remember . . . Planning The Jr-Sr Banquet"

The Junior Class was busy with money making projects and planning the Junior-Senior Banquet. They had bake sales for junior high volleyball games and senior high girls' basketball games. There was a bake sale, car wash and slave days in the fall.

Again in spring they had slave days and helped carry out chickens from the Marquette Chicken House. All these projects were necessary to finance the Junior-Senior Banquet and to put aside money for their own senior activities next year.

The Banquet was held on April 26 at the Bonanza Steak House in Grand Island. This annual event was hosted by the juniors to honor the 1979 Marquette senior class.

Funds were used to finance Homecoming and the Athletic Banquet activities. This included decorating the gym and providing the dance music for both events. Athletic Banquet tickets were sold to help meet expenses for the meal and the speaker, Bernie Saggau.

A new item this year was blue and gold Cub tee-shirts. The Club also sponsored pep rallies for each football and basketball game.

FHA Chapter Has An Active Year

FHA had a very active year with many projects. The girls held a football appreciation dance and served pizzaburgers after a football game. If the girls spoke to the boys on Valentines Day they lost their paper hearts and the boy to accumulate the most hearts won the title of Mr. Irresistible. They also had an Awareness Day in which they spent the day being mute, blind or crippled. In March they sponsored a marathon dance to raise money for the March of Dimes. In the summer they had a good FHA Retreat with the help of their sponsor Mrs. Dahlke.

Their main money raising project was the annual spring FHA Salad Supper.

Even though the Cubs lost the first five games, they refused to give up the fight. The win over Monroe gave the team the added drive and the fire to pull off the big upset of the football season - the defeat of Hampton. At the close of the first half, Hampton fumbled and the Cubs capitalized with the TD - score at half time was 16 all. Hampton added 6 points but the Cubs not to be out done scored a touchdown AND the point after attempt. The ball remained in the Cubs possession during the final minutes of the game. The final score was 24-22.

All conference honors went to two Marquette players, Mark Jacobsen named first team offensive end and second team defensive end and Tom Sailors named second team offensive and defensive half back. Mark also received honorable mention All-State End.

Seven seniors are graduating and will leave some big vacancies to be filled next year.

Marquette Seniors Of 1979 Say Goodbye . . .

Many lasting memories of the fun times shared as seniors were gathered throughout the year from athletic and musical events, dances, Homecoming, Athletic Banquet, Jr-Sr Banquet, Fr-Sr Party, a trip to the State Fair, senior week, dinners, parties and a long-awaited fun-filled sneak trip to the Ozarks in Missouri.

After twelve long years of excitement and anticipation the realization had come that graduation had arrived. May 16 brought mixed emotions. The end of the senior year meant leaving many activities and friends who had become so close. It was now time to say goodbye to this world and start again in a much bigger one.

Graduation Lament
Today's the day I graduate
To this school I come no more
This my goal of the past twelve years
Is what I've been waiting for.

The days were laced with fun and games
Along with my growing up
I've developed a personality
I've had to measure up.

Not only on tests and with teachers
I had to make it with my peers
And now that the struggle is over
I feel like shedding tears.

I'm going to miss my classmates
And the teacher's constant calls
I'm going to miss the notes and such
We passed along the halls.

With the diploma comes a sad thought
My adolescent years are gone -
Now I must face reality.

"1978-79 Annual Staff"

Selling ads, designing layouts, taking pictures and writing copy are only a few of the many tasks that annual staff members must perform in order to complete the yearbook. It's hard work which proves worthwhile when finished.

In addition to the yearbook, the Staff also assumed responsibility for compiling a special homecoming program. This "first" included information on coaches, cheerleaders and royalty.

The 1979 Annual Staff would like to say thank you to the Aurora News Register for the use of their pictures and to LaVern and Steve Fuller from Bailey Studio in Grand Island for the many photographs needed to complete this annual.

The empty halls, the empty parking lot, the empty desks are but memories but whatever we become, wherever we go —

We will remember . . . the good friends we made, the fun times we shared, all the happy memories at Marquette High School.
